

*The Labyrinth: A Community Garden For Ramona*  
Guidelines --

I/We will give a suggested donation of \$ 40.00 to help cover garden expenses.

I/WE understand the *The Labyrinth: A Community Garden For Ramona (the garden)* is truly a “Giving Garden” and a self determined portion of vegetables I/We grow will be donated to an outreach organization or another family in need, chosen by me. I will not waste any of my crops.

I/We will have something planted in the garden within 2 weeks unless ground conditions prevent planting and keep it planted at all times.

I/We will plant tall crops where they will not shade neighboring plots.

I/We will pick only my own crops unless given permission by the plot user.

I/We will use the most sustainable earth friendly methods of gardening possible in regards to fertilizers, insecticides or weed repellents.

I/We understand water is a precious resource and rations may occur. I/We will use water wisely & comply with any water rations set forth. I understand it is my responsibility to practice conservation techniques, as water costs affect all gardeners. I will turn off all water when I leave the garden.

I/We will keep weeds down in the plot and maintain the areas immediately surrounding my plot if any.

If my plot becomes unkempt, I/We understand I/We will be given one (1) week's notice to clean it up. I/We will notify the manager of an inability to comply with this deadline. If the Garden Coordinator / Manager are not notified by the deadline time, the plot can be reassigned or tilled in.

I/We will keep trash and litter cleaned from the plot, as well as, from adjacent pathways and fences.

I/We understand trashcans are not maintained on the garden site. I/We will remove all self-generated trash that cannot be composted in the designated areas.

I/We will participate in the spring clean-up of the garden. I/We understand that a \$25.00 fine will be imposed to those who do not participate.

I/We agree to volunteer two days a year on “work days” toward community gardening efforts within the one-year garden season.

If I/We must abandon my plot for any reason, I/We will notify the Garden Coordinator / Manager.

I/We understand that neither the garden group nor owners of the land are responsible for my actions. I/We THEREFORE AGREE TO HOLD HARMLESS THE GARDEN GROUP AND OWNERS OF THE LAND FOR ANY LIABILITY, DAMAGE, LOSS OR CLAIM THAT OCCURS IN CONNECTION WITH USE OF THE GARDEN BY ME OR ANY OF MY GUESTS.
